What is LE MEUR?

Our company's story began in France. "Meur" is a French surname meaning "the great" in its modern Breton language, adding depth to our brand's identity.

ABOUT US

Inspired by our intimate knowledge of French beauty standards, Le Meur Aesthetics is committed to making the best of luxury beauty available and accessible. Blending expertise and innovation, we provide bespoke treatments that are highly personalized and customized.

FRENCH BEAUTY EXPERIENCE. At Le Meur Aesthetics, we bring you exceptional French luxury at every step. From our elegant European-style interiors to our world-class standard of care, we make sure you get unrivaled and excellent service. We strive to deliver only the best results with our meticulous techniques and state-of-the-art machines. Our commitment to providing the best luxury beauty experience is our promise, always.

In bringing French skincare technology, we aim to empower every Filipino to do more by being more - more confident, more secure, and more loved.

MISSION

Le Meur Aesthetics aims to bring world-class French skincare technology and techniques closer to individuals to offer the best of beauty in terms of quality and efficacy.

VISION

We strive to be a globally competitive beauty expert not only able to cater to all skin concerns but also able to empower individuals to look great and feel great.

WHAT IS LE MEUR?
LE MEUR MEANS
"THE GREAT" IN FRENCH
and we are here to make you feel great.

PREMIUM FACIALS

DOME FACIAL **P8,000**

Maintains and enhances production of collagen and elastin through a combination of LED light treatment and advanced growth factors.

OXYGENEO FACIAL **P10,000**

Treatment specializing in regeneration and maintaining healthy skin through a balance combination of oxygenation, exfoliation, hydration, and nutrient infusion.

HYDRA-EXOSOMES FACIAL ★ **P15,000**

Reduces fine lines and wrinkles and improves skin tone and texture through the multi-step application of advanced skin products and exosomes, paired with gentle nano-infusion. Ideal for anti-aging, hydration, and sensitive skin.

PURIFYING AC EXOSOMES FACIAL **P15,000**

This facial is ideal for oily skin and helps reduce the occurrence of acne and minimizes redness and inflammation through the multi-step application of advanced skin products and exosomes, paired with gentle nano-infusion.

MELAVITA-C EXOSOMES FACIAL **P15,000**

This facial reduces hyperpigmentation, dark spots, and brightens skin, while also improving overall skin quality through the multi-step application of advanced skin products and exosomes, paired with gentle nano-infusion.

ADVANCED TREATMENTS

HYDRO-CURE ★ **P18,000**

An advanced microneedling treatment that detoxifies the skin with hydrogenated water and infuses growth factors that repairs, lightens, hydrates, and smoothens the skin.

HYDRO-PURE **P8,000**

A non-invasive and relaxing hydrogen facial and LED light procedure that detoxifies the face, removes impurities, and helps reduce redness and inflammation.

HYDRO-SCALP+ **P15,000**

An advanced treatment that detoxifies the scalp and infuses exosomes and growth factors to stimulate hair proliferation through microneedling.

LIGHT-10 LASER **P18,000**

A tried and tested laser that targets various skin conditions including discoloration and fine lines, resulting in facial rejuvenation, minimized pores, and brighter and improved skin texture.

PANDA EYE LASER **P15,000**

Brightens and rejuvenates the under-eye area by targeting pigmentation and stimulating collagen.

ADVANCED TREATMENTS

WHITE SADDLE LASER ★ P15,000

Advanced laser procedure that lightens and smoothens the intimate areas of the groin and under-buttocks by targeting pigmentation.

LIGHT-10 UNDERARMS P10,000

Advanced laser procedure that lightens and smoothens underarms by targeting pigmentation.

EMFACE® ★ P30,000

EMFACE utilizes synchronized RF and High Intensity Facial Electromagnetic Stimulation (HIFES) to lift your facial muscles, improve facial muscle tone, and decrease the appearance of static wrinkles, all in a 20-minute procedure.

LE MEUR XEOMIN BOTOX ★ per unit P750

A longer-lasting botulinum toxin manufactured in Germany which addresses lines of expressions, wrinkles, and smoothens skin.

LE MEUR YOUTH 360 PRO P30,000

Combines microneedles to stimulate collagen production with radiofrequency energy for skin rejuvenation and tightening. This dual approach reduces wrinkles, fine lines, acne scars, and improves skin texture and tone, suitable for various skin types with minimal downtime compared to surgery.

FACE THREADLIFT perthread P1,500

A non-surgical and instant lift for sagging and aging skin that stimulates collagen through premium threads.

LE MEUR KOREAN BOTOX per unit **P450**

An injectable procedure that uses Korean botulinum toxin which addresses lines of expressions, wrinkles, and smoothen skin.

LE MEUR FILLERS starts at **P40,000**

An essential anti-aging procedure needed for facial sculpting and for replacing facial volume that was lost through the natural course of aging. This can be done for various areas of the face including under eyes, cheeks, chin, and lips.

HIKO NOSE THREAD LIFT **P45,000**

A non-surgical injectable procedure that improves the nasal profile by using specialized absorbable threads.

REJURAN SKIN HEALER **P28,000**

Rejuran H is an advanced injectable that improves skin texture, tone, and overall skin quality using biologically active molecules. This treatment harnesses the regenerative properties of polynucleotide (PN) which reverses skin aging.

REJURAN (I) **P18,000**

Rejuran I is a targeted anti-aging polynucleotide injectable treatment designed specifically for the delicate eye area resulting in brighter, more youthful-looking eyes.

REJURAN (S) **P18,000**

This scar treatment using Rejuran S is a medical procedure which involves the use of polynucleotides (PN) to help repair damaged cells and stimulate collagen to reduce the appearance of surgical and acne scars.

ADVANCED TREATMENTS

EXION™ Face

P18,000

The only machine that uses AI and combines thermal and mechanical stimulation that not only results in skin tightening and lifting, but also hydrates the skin, reversing signs of aging.

EXION™ Body

P15,000

This advanced procedure combines RF and ultrasound technology which targets deeper layers. This results in enhanced hyaluronic acid production to address skin laxity and also induces fat cell destruction for a tighter, firmer, sculpted figure.

EXION™ Pore+Tight

P20,000

Treatments utilize a combination of microneedling and radiofrequency (RF) energy to address various skin concerns, including pore size, skin texture, wrinkles, acne scars, and overall skin laxity.

REGENERATIVE ABILITY

RESTORE DETERIORATED SKIN TISSUE
