QUEZON CITY

## What is LE MEUR?

Our company's story began in France. "Meur" is a French surname meaning "the great" in its modern Breton language, adding depth to our brand's identity.

---

## ABOUT US

Inspired by our intimate knowledge of French beauty standards, Le Meur Aesthetics is committed to making the best of luxury beauty available and accessible. Blending expertise and innovation, we provide bespoke treatments that are highly personalized and customized.

**FRENCH BEAUTY EXPERIENCE.** At Le Meur Aesthetics, we bring you exceptional French luxury at every step. From our elegant European-style interiors to our world-class standard of care, we make sure you get unrivaled and excellent service. We strive to deliver only the best results with our meticulous techniques and state-of-the-art machines. Our commitment to providing the best luxury beauty experience is our promise, always.

In bringing French skincare technology, we aim to empower every Filipino to do more by being more - more confident, more secure, and more loved.

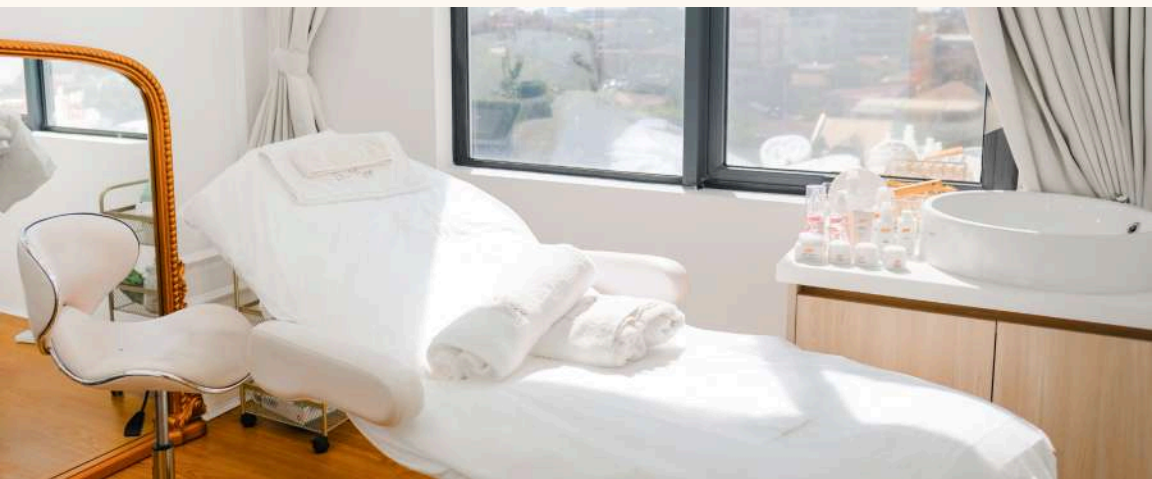

---

## MISSION

Le Meur Aesthetics aims to bring world-class French skincare technology and techniques closer to individuals to offer the best of beauty in terms of quality and efficacy.

## VISION

We strive to be a globally competitive beauty expert not only able to cater to all skin concerns but also able to empower individuals to look great and feel great.

## PREMIUM FACIALS

### LE MEUR SIGNATURE FACIAL **P3,500**

Our Signature Facial not only includes cleansing and extraction, but also incorporates a diamond peel to promote anti-aging and skin brightening, ideal for those with dull skin and clogged pores.

### GOLD FACIAL **P3,500**

This facial incorporates a premium hydrating gold mask which combats inflammation and provides deep cleansing properties to keep the face bright and moisturized.

### COLLAGEN FACIAL **P3,500**

This facial incorporates all the steps of our basic facial with the added benefit of a premium collagen mask which hydrates the skin, leaving it soft and supple.

### GLASS SKIN FACIAL **P3,500**

While also cleansing and unclogging pores, this treatment also uses a facial machine to gently infuse a whitening serum, resulting in a glass skin appearance immediately after the procedure.

### SEAWEED FACIAL **P3,500**

For those with oily and acne-prone skin, this comprehensive facial utilizes a peel off mask to combat sebum build-up and inflammation.

### ACNE DETOX FACIAL **P3,500**

This facial is ideal for those with active acne in need of unclogging pores and eliminating whiteheads and blackheads through cleansing, extraction, and a premium antibacterial mask.

### ACNE DETOX FACIAL W/ PDT LIGHT **P4,500**

For a more comprehensive anti-acne treatment, a combination of our Acne Detox Facial with a PDT light provides more efficient results in reducing redness, inflammation, and acne breakouts.

### HYDRA SKIN MASTER FACIAL ★ **P5,600**

This 9-in-one comprehensive facial procedure results in a radiant glow with improved skin texture through the infusion of brightening serums, bio-lifting, LED light, and high frequency technology.

### ACNEHYDRA FACIAL ★ **P5,600**

This facial combats clogged pores, inflammation, and blemishes through cleansing and extraction, and also utilizes anti-acne serum through a gentle spray infusion.

### HYDRA-EXOSOMES FACIAL ★ **P15,000**

Reduces fine lines and wrinkles and improves skin tone and texture through the multi-step application of advanced skin products and exosomes, paired with gentle nano-infusion. Ideal for anti-aging, hydration, and sensitive skin.

### PURIFYING AC EXOSOMES FACIAL **P15,000**

This facial is ideal for oily skin and helps reduce the occurrence of acne and minimizes redness and inflammation through the multi-step application of advanced skin products and exosomes, paired with gentle nano-infusion.

### MELAVITA-C EXOSOMES FACIAL ★ **P15,000**

This facial reduces hyperpigmentation, dark spots, and brightens skin, while also improving overall skin quality through the multi-step application of advanced skin products and exosomes, paired with gentle nano-infusion.

## EXOSOME CURESTEM (FACE) ★ P15,000

This treatment uses an advanced multi-injector machine to deliver a cocktail of hyaluronic acid, stem cells, botulinum toxin, and exosomes directly into your skin, resulting in a complete facial rejuvenation that addresses melasma, fine lines, acne scars, and more.

## EXOSOME CURESTEM (HAIR) ★ P12,000

This treatment uses an advanced multi-injector machine to deliver exosomes and stem cells directly into your scalp to promote cellular proliferation and stimulate hair growth.

## LE MEUR KOREAN BOTOX per unit P450

An injectable procedure that uses Korean botulinum toxin which addresses lines of expressions, and wrinkles, and smoothens skin.

## LE MEUR XEOMIN BOTOX per unit P750

A longer-lasting botulinum toxin manufactured in Germany that addresses lines of expression, and wrinkles, and smoothens skin.

# ADVANCED TREATMENTS

## LE MEUR YOUTH 360 (Face & Neck) ★ P90,000

A premium treatment done 1-2 times a year that uses non-invasive radio frequency technology resulting in skin tightening and lifting, improves the appearance of fine lines, and delivers smoother and younger-looking skin.

## LE MEUR YOUTH 360 (Eyes) P80,000

A premium treatment that helps smoothen and tighten the skin, and decrease wrinkles, lines, and hooding in the eye area – resulting in a brighter and more lifted appearance with reduced bags under the eyes.

## LE MEUR YOUTH 360 (Body) P70,000

This treatment uses non-invasive radio frequency technology which stimulates the production of collagen and elastin that tightens loose and sagging skin, smoothes skin texture, and results in a firmer and slimmer appearance.

# ADVANCED TREATMENTS

## LE MEUR FILLERS **starts at P40,000**

An essential anti-aging procedure needed for facial sculpting and for replacing facial volume that was lost through the natural course of aging. This can be done for various areas of the face including under eyes, chin, and lips.

## FACE THREADLIFT **per thread P1,500**

A non-surgical and instant lift for sagging and aging skin that stimulates collagen through premium threads.

## HIKO NOSE THREAD LIFT **P45,000**

A non-surgical injectable procedure that improves the nasal profile by using specialized absorbable threads.

## LE MEUR COCKTAILS **P18,000**

Through the use of microneedling, this procedure delivers a blend of brightening and anti-aging serums, addressing enlarged pores and dull skin, resulting in improved skin texture and facial rejuvenation.

## STERIOD INJECTION **per 0.1 ml P500**

Reduce the appearance of hypertrophic scars and keloids using steroid injections for smoother skin.

## SPANISH PEEL **P12,000**

This treatment uses a chemical exfoliant which exposes brand new, unblemished skin, ideal for those who want to address acne scars, enlarged pores, and uneven skin tone.

## REJURAN SKIN HEALER ★ **P28,000**

Rejuran H is an advanced injectable that improves skin texture, tone, and overall skin quality using biologically active molecules. This treatment harnesses the regenerative properties of polynucleotide (PN) which reverses skin aging.

## REJURAN ( I ) ★ **P18,000**

Rejuran I is a targeted anti-aging polynucleotide injectable treatment designed specifically for the delicate eye area resulting in brighter, more youthful-looking eyes.

## REJURAN ( S ) ★ **P18,000**

This scar treatment using Rejuran S is a medical procedure which involves the use of polynucleotides (PN) to help repair damaged cells and stimulate collagen to reduce the appearance of surgical and acne scars.

**REGENERATIVE ABILITY**

**RESTORE DETERIORATED SKIN TISSUE**

# LASER TREATMENTS

## **PICO PRO MAX ★ P20,000**

An advanced pico laser that targets discoloration and fine lines, resulting in brighter and improved skin texture with overall lightening of skin.

## **BLACK PEEL LASER P15,000**

This treatment uses a black peel mask and pico laser to reduce sebum and remove impurities, resulting in deep exfoliation.

## **DIODE ELITE ★ P11,200**

An advanced diode machine for painless and long-lasting hair removal for various areas of the body.

## **REFRAX LASER PORE ★ P16,500**

An advanced skin resurfacing laser that utilizes unique non-ablative fractional technology resulting in minimized pores and improved skin

## **REFRAX LASER PORE (Acne scars) P16,500**

Using the Refrax Laser machine, a customizable setting can target a deeper layer to address acne and surgical scars.

## **REFRAX LASER PORE (Stretchmarks) P11,200**

Stretchmarks can be addressed using the non-ablative fractional technology of the Refrax Laser machine, reducing the appearance of striae while also tightening the skin.

## **ACNERASE THERAPY P9,000**

A gentle laser procedure that helps lighten post-inflammatory hyperpigmentation from acne.

## **RED ICE LASER P6,800**

A refreshing premium facial treatment that uses cold infusion to reduce inflammation and redness, minimize pores, and results in skin hydration.

# LUMINOUS BODY TREATMENT

## **SEA SALT BODY SCRUB P2,500**

This relaxing body scrub eliminates dead skin and unclogs pores, giving smooth and supple skin results.

## **WHITENING BODY SCRUB P2,500**

This relaxing body scrub removes skin impurities and improves uneven skin tone for softer and whiter skin.

## **HYDRA BODY SKIN MASTER P9,000**

A whole-body procedure that exfoliates and infuses hydrating and whitening serums for glowing and smoother skin.

# SLIMMING TREATMENTS

## EXILIS ULTRA 360™ ★ P9,000

This non-invasive, fat-melting treatment utilizes radiofrequency technology to promote skin elasticity, contouring, and tightening for various areas of the body.

## LE MEUR ALIDYA PRO P12,000

This is the first injectable solution that has been specifically formulated to reduce and eliminate cellulite, resulting in smoother, firmer, and tighter skin.

## FAT DISSOLVING INJECTION P8,000

An injectable treatment using specialized ingredients that stimulates the destruction of hard-to-remove fat cells.

EXILIS ULTRA 360™

## Doctor's Consultation

P1,500

## PREMIUM I.V DRIP

## PREMIUM I.V DRIPS
